

All the Good People – Fred Holstein (lyrics for the chorus of the song)

This is a song for all the good people

All the good people who've touched up my life

This is a song for all the good people

The people I'm thanking my stars for tonight.

This is the end of our time together,

Of using our voices and singing our songs,

So, until next week, when again we gather,

Keep using your voices, keep singing out strong.

Keep using your voices, keep singing out strong. (2nd section by Charlie P.)

Can't Take My Eyes Off You - Frankie Valli

You're just too good to be true
 Can't take my eyes off of you
 You'd be like Heaven to touch
 I wanna hold you so much
 At long last love has arrived
 And I thank God I'm alive
 You're just too good to be true
 Can't take my eyes off you

Pardon the way that I stare
 There's nothing else to compare
 The sight of you leaves me weak
 There are no words left to speak
 But if you feel like I feel
 Please let me know that it's real
 You're just too good to be true
 Can't take my eyes off you

[Kazoos, straws, harmonicas or sing "doo" or "vv" Interlude]

**I love you, baby, and if it's quite alright
 I need you, baby, to warm the lonely night
 I love you, baby, trust in me when I say
 Oh, pretty baby, don't bring me down, I pray
 Oh, pretty baby, now that I found you, stay
 And let me love you, baby, let me love you**

You're just too good to be true
 Can't take my eyes off of you
 You'd be like Heaven to touch
 I wanna hold you so much
 At long last love has arrived
 And I thank God I'm alive
 You're just too good to be true
 Can't take my eyes off you

[Kazoos, straws, harmonicas or sing "doo" or "vv" Interlude]

**I love you, baby, and if it's quite alright
 I need you, baby, to warm the lonely night
 I love you, baby, trust in me when I say
 I love you, baby, trust in me when I sayyyyyyy..... [end]**

I'll Never Fall in Love Again - Dionne Warwick

What do you get when you fall in love?
A guy with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again
I'll never fall in love again

What do you get when you kiss a guy?
You get enough germs to catch pneumonia
After you do, he'll never phone ya
I'll never fall in love again
Don't you know that I'll never fall in love again

Don't tell me what's it all about
'Cause I've been there and I'm glad I'm out
Out of those chains, those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So for at least until tomorrow
I'll never fall in love again
No, no, I'll never fall in love again

[Kazoo, straw or sing, "oo" or "vv"]

I'm out of those chains, those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies pain and sorrow
So for at least until tomorrow
I'll never fall in love again
Don't you know that I'll never fall in love again
I'll never fall in love again (end).

High Hopes – Frank Sinatra

Next time you're found with your chin on the ground
There's a lot to be learned, so look around

Just what makes that little old ant
Think he'll move that rubber tree plant
Anyone knows an ant, can't
Move a rubber tree plant

But he's got **high hopes**
He's got **high hopes**
He's got **high apple pie**
In the sky hopes

So any time your gettin' low
'Stead of lettin' go
Just remember that ant
Oops, there goes another rubber tree
(Oops, there goes another rubber tree)
Oops, there goes another rubber tree plant (sing together)

Once there was a silly old ram
Thought he'd punch a hole in a dam
No one could make that ram scam
He kept buttin' that dam

'Cause he had **high hopes**
He's got **high hopes**
He had **high apple pie**
In the sky hopes

So any time your feelin' bad
'Stead of feelin' sad
Just remember that ram
Oops, there goes a billion-kilowatt
(Oops, there goes a billion-kilowatt)
Oops, there goes a billion-kilowatt dam (sing together)

A problem's just a toy balloon
They'll be bursting soon
They're just bound to go **pop**
Oops, there goes another problem,
(Oops, there goes another problem)
Oops, there goes another problem, kerplop
(KERPLOP) LOUDLY [end]

The Locomotion - Little Eva

(Bold = Sing More Loudly)

Everybody's doing a brand-new dance, now

(Come on baby, do the loco-motion)

I know you'll get to like it if you give it a chance now

(Come on baby, do the loco-motion)

My little baby sister can do it with ease

It's easier than learning your A-B-C

So come on, come on, do the Loco-motion with me

You gotta swing your hips, now

Come on baby

Jump up **(jump up)**

Jump back **(jump back)**

Well, now, I think you've got the knack

Whoa, whoa

Now that you can do it, let's make a chain, now

(Come on baby, do the loco-motion)

A chug-a chug-a motion like a railroad train, now

(Come on baby, do the loco-motion)

Do it nice and easy, now, don't lose control

A little bit of rhythm and a lot of soul

Come on, come on

And do the Loco-motion with me

(Kazoos or sing, "oo")

Yeah, Yeah,

Move around the floor in a Loco-motion

(Come on baby, do the loco-motion)

Do it holding hands if you get the notion

(Come on baby, do the loco-motion)

There's never been a dance that's so easy to do

It even makes you happy when you're feeling blue

So come on, come on, do the Loco-motion with me

(Come on baby, do the loco-motion)

So come on, come on and do the Loco-motion with me

(Come on baby, do the loco-motion)

So come on, come on and do the Loco-motion with me

(Come on baby, do the loco-motion)

(Come on baby, do the loco-motion)

(Come on baby, do the loco-motion) [end]

Will You Still Love Me Tomorrow - The Shirelles

Tonight you're **mine** completely→
You give your **love** so sweetly→
Tonight the **light** of love is in your eyes→
But will you love **me** tomorrow?→

Is this a **lasting** treasure→
Or just a **moment's** pleasure?→
Can **I believe** the magic of your sighs?→
Will you still love **me** tomorrow?→

Bridge:

Tonight with **words unspoken**
You say that I'm the only **one**
But will my **heart** be **broken**
When the night
Meets the **morning** sun?→

I'd like to **know** that your love→
Is love I **can** be sure of→
So **tell** me **now**, and I won't ask again
Will you still love **me** tomorrow?→

So **tell** me **now**, and I won't ask again
Will you still love **me** tomorrow?
Will you still love me tomorrow?
Will you still love me tomorrow? [end]

Yellow Submarine lyrics by The Beatles – **Instructions** - Sing chorus louder than verse;
If instructed, play instruments/drum as instructed by MT

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

So we sailed up to the sun
Till we found the sea of green
And we lived beneath the waves
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all on board
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

As we live a life of ease
Everyone of us has all we need
Sky of blue and sea of green
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine [end]
