

All the Good People – Fred Holstein (lyrics for the chorus of the song)

This is a song for all the good people

All the good people who've touched up my life

This is a song for all the good people

The people I'm thanking my stars for tonight.

This is the end of our time together,

Of using our voices and singing our songs,

So, until next week, when again we gather,

Keep using your voices, keep singing out strong,

Keep using your voices, keep singing out strong. (2nd section by Charlie P.)

It's Not Unusual - Tom Jones

It's not unusual to be loved by anyone
 It's not unusual to have **fun** with anyone
 But when I see you hanging about with anyone
 It's not unusual to see me cry →, I wanna die

It's not unusual to go out at any time
 But when I see you out and about, it's such a crime
 If you should ever wanna be loved by anyone
 It's not unusual

[Bridge]
 It happens every day,
 no matter what you say
 You'll find it happens all the time →
 Love will never do,
 what you want it to
 Why can't this crazy love be mine →?

It's not unusual to be mad with anyone
 It's not unusual to be sad with anyone
 But if I ever find that you've changed at anytime
 It's not unusual

To find out I'm in love with you, Woah-woah
Woah-woah
Woah-woah, woah
Woah-woah, woah-woah
Woah-woah

I Got You Babe – Sonny and Cher

They say we're young and we don't know
 We won't find out until → we grow
 Well I don't know if all that's true
 'Cause you got me, and baby I got you

Babe

I got you babe

I got you babe

They say our love won't pay the rent
 Before it's earned, our money's all been spent
 I guess that's so, we don't have a plot
 But at least I'm sure of all the things we got

Babe

I got you babe

I got you babe

I got flowers → in the spring →

I got you → to wear my ring →

And when I'm sad →

You're a clown

And if I get scared →

You're always around →

Don't let them say your hair's too long
 'Cause I don't care, with you I can't go wrong
 Then put your little hand in mine
 There ain't no hill or mountain we can't climb

Babe

I got you babe

I got you babe (wait 4 counts) 1, 2, 3, 4

I got you to hold my hand

I got you to understand

I got you to walk with me
I got you to talk with me

I got you to kiss goodnight
I got you to hold me tight

I got you, I won't let go
I got you to love me so

Jolene - Dolly Parton

Jolene, Jolene, Jolene, Jolene
Oh, I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him even though you can

Your beauty is beyond compare
 With flaming locks of auburn hair
 With ivory skin and eyes of emerald green →
 Your smile is like a breath of spring
 Your skin is soft like summer rain
 And I can not compete with you, Jolene

And I can easily understand
 How you could easily take my man
 But you don't know what he means to me, Jolene
 He talks about you in his sleep
 There's nothing I can do to keep
 From crying when he calls your name, Jolene

Jolene, Jolene, Jolene, Jolene
Oh, I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him even though you can

I had to have this talk with you
 My happiness depends on you
 And whatever you decide to do, Jolene
 And you could have your choice of men
 But I could never love again
 Cause he's the only one for me, Jolene

Jolene, Jolene, Jolene, Jolene
Oh, I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him even though you can
Jolene, Jolene [end]

You're So Vain – Carly Simon

You walked into the party like you were walking onto a yacht
 Your hat strategically dipped below one eye
 Your scarf it was apricot
 You had One eye in the mirror, as you watched yourself gavotte

And all the girls dreamed that they'd be your partner
 They'd be your partner and

You're so vain

You probably think this song is about you

You're so vain →

I'll bet you think this song is about; Don't you? Don't you?

Ah, You had me several years ago when I was still quite naive
 Well, you said that we made such a pretty pair
 and that you would never leave
 But you gave away the things you loved..... And one of them was me

I had some dreams, they were clouds in my coffee
 Clouds in my coffee and

You're so vain

You probably think this song is about you

You're so vain →

I'll bet you think this song is about you; Don't you? Don't you?

Well, I hear you went up to Saratoga
 And Your horse naturally won
 Then you Flew your Learjet up to Nova Scotia
 To see the total eclipse of the sun
 Well, you're where you should be all the time
 And when you're not you're with

Some underworld spy or the wife of a close friend..... Wife of a close friend and

You're so vain

You probably think this song is about you

You're so vain →

I'll bet you think this song is about; Don't you? Don't you? Don't you?

You're so vain, You probably think this song is about you

You're so vain, You probably think this song is about you

You're so vain, You probably think this song is about you [end]

Heartbreak Hotel - Elvis Presley

Well, since my baby left me (tap, tap)
Well, I found a new place to dwell (tap, tap)
Well, it's down at the end of Lonely Street
At Heartbreak Hotel

Where I'll be, I'll be so lonely, baby
Well, I'm so lonely
I'll be so lonely, I could die

Although it's always crowded
You still can find some room
For broken-hearted lovers
To cry there in their gloom

They'll be, they'll be so lonely, baby
They'll be so lonely
They're so lonely, they could die

Now, the bellhop's tears keep flowin'
And the desk clerk's dressed in black
Well, they've been so long on Lonely Street
They'll never, never look back

And they get so, they get so lonely, baby
Well, they are so lonely
They're so lonely, they could die

Well, now, if your baby leaves you
And you got a tale to tell
Well, just take a walk down Lonely Street
To Heartbreak Hotel

Where you will be, you'll be so lonely, baby
Well, you will be lonely
You'll be so lonely, you could die

[Kazoos or sing "oo"]

Although it's always crowded
You still can find some room
For broken-hearted lovers
To cry there in their gloom

Where they get so, they get so lonely, baby
Well, they're so lonely
They'll be so lonely, they could die
They'll be so lonely, they could die [end]

Singing in the Rain – Gene Kelly

I'm singing in the rain,

just singin' in the rain

What a glorious feeling,

I'm happy again

I'm laughing at clouds

So dark up above

The sun's in my heart and I'm ready for love

Let the stormy clouds chase

Everyone from the place

Come on with the rain, I've a smile on my face

I walk down the lane

with a happy refrain

Just singin', singin' in the rain

I'm singin' and dancing in the rain

I'm dancing and singin' in the rain [\[end\]](#)
