

**All the Good People** – Fred Holstein (lyrics for the chorus of the song)

This is a song for all the good people

All the good people who've touched up my life

This is a song for all the good people

The people I'm thanking my stars for tonight.

This is the end of our time together,

Of using our voices and singing our songs,

So, until next week, when again we gather,

Keep using your voices, keep singing out strong.

Keep using your voices, keep singing out strong. (2<sup>nd</sup> section by Charlie P.)

## That'll Be the Day – Buddy Holly

Weeeeell, that'll be the day, when you say goodbye →  
 That'll be the day, when you make me cry →  
 You say you're gonna leave, you know it's a lie  
 'Cause that'll be the day when I die

Well, you give me all your lovin' and your turtle dovin'  
 All your hugs and kisses and your money too  
 Well, you know you love me baby  
 Still you tell me, maybe  
 That someday, well, I'll be through

Well, that'll be the day, when you say goodbye →  
 That'll be the day, when you make me cry →  
 You say you're gonna leave, you know it's a lie  
 'Cause that'll be the day when I die

[Bridge]

Well, when Cupid shot his dart  
 He shot it at your heart  
 So if we ever part and **I leave you**  
 You sit and hold me and you tell me boldly  
 That someday, well, I'll be blue

Well, that'll be the day, when you say goodbye →  
 That'll be the day, when you **make me cry** →  
 You say you're gonna leave, you know it's a lie  
 'Cause that'll be the day when I die

Well, that'll be the day, oo-hoo  
 That'll be the day, oo-hoo  
 That'll be the day, oo-hoo  
 That'll be the day

**Puff the Magic Dragon – Peter Paul and Mary**

Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honalee

Little Jackie Paper  
Loved that rascal Puff  
And brought him strings and sealing wax  
And other fancy stuff

Oh, Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honalee

Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honalee

Together they would travel  
On a boat with billowed sail  
Jackie kept a lookout  
Perched on Puff's gigantic tail

Noble kings and princes  
Would bow whene'er they came  
Pirate ships would lower their flags  
When Puff roared out his name

Oh, Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honalee

Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honalee

**There's a Kind of Hush – Herman's Hermits** – Instructions - Hold out “hushhhh” and “usssss” at the end of the phrases, sing more quietly when lyrics are italicized.

There's a kind of hushhhhhh  
 All over the world tonight  
 All over the world  
 You can hear the sounds of lovers in love  
 You know what I mean

Just the two of usssssss  
 and nobody else in sight  
 There's nobody else  
 And I'm feeling good just holding you tight

So listen very carefully  
 Closer now  
 And you will see what I mean  
 It isn't a dream  
*(sing quietly) The only sound that you will hear  
 Is when I whisper in your ear  
 I love you forever and ever*

There's a kind of hushhhh  
 All over the world tonight  
 All over the world  
 You can hear the sound of lovers in love

La la la la la la  
 La la la la la la  
 La la la la la la  
 La la la la la la

So listen very carefully  
 Closer now  
 And you will see what I mean  
 It isn't a dream  
*(sing quietly) The only sound that you will hear  
 Is when I whisper in your ear  
 I love you forever and ever*

There's a kind of hushhhhhh  
 All over the world tonight  
 All over the world  
 People just like us are fallin' in love  
 Yeah, they're fallin' in love, Hushhhh,  
 They're fallin' in love, Hushhhh

## Take Me Home, Country Roads

Almost heaven, West Virginia  
 Blue Ridge Mountains, Shenandoah River  
 Life is old there, Older than the trees  
 Younger than the mountains  
 Blowin' like a breeze

**Country Roads →**  
**Take me home →**  
**To the place → I belong →**  
**West Virginia → Mountain momma →**  
**Take me home →**  
**Country roads →**

All my memories gathered 'round her  
 Miner's lady, stranger to blue water  
 Dark and dusty, painted on the sky  
 Misty taste of moonshine  
 Teardrops in my eye

**Country Roads →**  
**Take me home →**  
**To the place → I belong →**  
**West Virginia → Mountain momma →**  
**Take me home →**  
**Country roads →**

(Bridge)  
 I hear her voice in the mornin' hour she calls me.  
 The radio reminds me of my home far away.  
 And drivin' down the road I get a feelin'  
 That I should have been home yesterday,  
 Yesterday

**Country Roads →**  
**Take me home →**  
**To the place → I belong →**  
**West Virginia → Mountain momma →**  
**Take me home →**  
**Country roads →**

**Take me home → down country roads →**  
**Take me home → down country roads →**

## **Can't Take My Eyes Off You - Frankie Valli**

You're just too good to be true  
 Can't take my eyes off of you  
 You'd be like Heaven to touch  
 I wanna hold you so much  
 At long last love has arrived  
 And I thank God I'm alive  
 You're just too good to be true  
 Can't take my eyes off you

Pardon the way that I stare  
 There's nothing else to compare  
 The sight of you leaves me weak  
 There are no words left to speak  
 But if you feel like I feel  
 Please let me know that it's real  
 You're just too good to be true  
 Can't take my eyes off you

[Kazoos, straws, harmonicas or sing "doo" or "vv" Interlude]

**I love you, baby, and if it's quite alright  
 I need you, baby, to warm the lonely night  
 I love you, baby, trust in me when I say  
 Oh, pretty baby, don't bring me down, I pray  
 Oh, pretty baby, now that I found you, stay  
 And let me love you, baby, let me love you**

You're just too good to be true  
 Can't take my eyes off of you  
 You'd be like Heaven to touch  
 I wanna hold you so much  
 At long last love has arrived  
 And I thank God I'm alive  
 You're just too good to be true  
 Can't take my eyes off you

[Kazoos, straws, harmonicas or sing "doo" or "vv" Interlude]

**I love you, baby, and if it's quite alright  
 I need you, baby, to warm the lonely night  
 I love you, baby, trust in me when I say  
 I love you, baby, trust in me when I sayyyyyyy..... [end]**

**I'll Never Fall in Love Again - Dionne Warwick**

What do you get when you fall in love?  
A guy with a pin to burst your bubble  
That's what you get for all your trouble  
I'll never fall in love again  
I'll never fall in love again

What do you get when you kiss a guy?  
You get enough germs to catch pneumonia  
After you do, he'll never phone ya  
I'll never fall in love again  
Don't you know that I'll never fall in love again

Don't tell me what's it all about  
'Cause I've been there and I'm glad I'm out  
Out of those chains, those chains that bind you  
That is why I'm here to remind you

What do you get when you fall in love?  
You only get lies and pain and sorrow  
So for at least until tomorrow  
I'll never fall in love again  
No, no, I'll never fall in love again

[Kazoo, straw or sing, "oo" or "vv"]

I'm out of those chains, those chains that bind you  
That is why I'm here to remind you

What do you get when you fall in love?  
You only get lies pain and sorrow  
So for at least until tomorrow  
I'll never fall in love again  
Don't you know that I'll never fall in love again  
I'll never fall in love again (end).

**High Hopes – Frank Sinatra**

Next time you're found with your chin on the ground  
There's a lot to be learned, so look around

Just what makes that little old ant  
Think he'll move that rubber tree plant  
Anyone knows an ant, can't  
Move a rubber tree plant

But he's got **high hopes**  
He's got **high hopes**  
He's got **high apple pie**  
**In the sky hopes**

So any time your gettin' low  
'Stead of lettin' go  
Just remember that ant  
Oops, there goes another rubber tree  
(Oops, there goes another rubber tree)  
**Oops, there goes another rubber tree plant (sing together)**

Once there was a silly old ram  
Thought he'd punch a hole in a dam  
No one could make that ram scam  
He kept buttin' that dam

'Cause he had **high hopes**  
He's got **high hopes**  
He had **high apple pie**  
**In the sky hopes**

So any time your feelin' bad  
'Stead of feelin' sad  
Just remember that ram  
Oops, there goes a billion-kilowatt  
(Oops, there goes a billion-kilowatt)  
**Oops, there goes a billion-kilowatt dam (sing together)**

A problem's just a toy balloon  
They'll be bursting soon  
They're just bound to go **pop**  
Oops, there goes another problem,  
(Oops, there goes another problem)  
Oops, there goes another problem, kerplop  
**(KERPLOP) LOUDLY [end]**

**The Locomotion - Little Eva**  
*(Bold = Sing More Loudly)*

Everybody's doing a brand-new dance, now  
**(Come on baby, do the loco-motion)**  
 I know you'll get to like it if you give it a chance now  
**(Come on baby, do the loco-motion)**

My little baby sister can do it with ease  
 It's easier than learning your A-B-C  
 So come on, come on, do the Loco-motion with me  
 You gotta swing your hips, now

Come on baby  
 Jump up **(jump up)**  
 Jump back **(jump back)**  
 Well, now, I think you've got the knack

Whoa, whoa  
 Now that you can do it, let's make a chain, now  
**(Come on baby, do the loco-motion)**  
 A chug-a chug-a motion like a railroad train, now  
**(Come on baby, do the loco-motion)**

Do it nice and easy, now, don't lose control  
 A little bit of rhythm and a lot of soul  
 Come on, come on  
 And do the Loco-motion with me

**(Kazoos or sing, "oo")**

Yeah, Yeah,  
 Move around the floor in a Loco-motion  
**(Come on baby, do the loco-motion)**  
 Do it holding hands if you get the notion  
**(Come on baby, do the loco-motion)**

There's never been a dance that's so easy to do  
 It even makes you happy when you're feeling blue  
 So come on, come on, do the Loco-motion with me  
**(Come on baby, do the loco-motion)**

So come on, come on and do the Loco-motion with me  
**(Come on baby, do the loco-motion)**  
 So come on, come on and do the Loco-motion with me  
**(Come on baby, do the loco-motion)**  
**(Come on baby, do the loco-motion)**  
**(Come on baby, do the loco-motion) [end]**

## Will You Still Love Me Tomorrow - The Shirelles

Tonight you're **mine** completely→

You give your **love** so sweetly→

**Tonight** the **light** of love is in your eyes→

But will you love **me** tomorrow?→

Is this a **lasting** treasure→

Or just a **moment's** pleasure?→

Can **I believe** the magic of your sighs?→

Will you still love **me** tomorrow?→

### Bridge:

Tonight with **words unspoken**

You say that I'm the only **one**

But will my **heart** be **broken**

When the night

Meets the **morning** sun?→

I'd like to **know** that your love→

Is love I **can** be sure of→

So **tell** me **now**, and I won't ask again

Will you still love **me** tomorrow?→

So **tell** me **now**, and I won't ask again

Will you still love **me** tomorrow?

Will you still love me tomorrow?

Will you still love me tomorrow? [end]

**Yellow Submarine** lyrics by The Beatles – **Instructions** - Sing chorus louder than verse;  
If instructed, play instruments/drum as instructed by MT

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines

**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**  
**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**

So we sailed up to the sun  
Till we found the sea of green  
And we lived beneath the waves  
In our yellow submarine

**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**  
**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**

And our friends are all on board  
Many more of them live next door  
And the band begins to play

**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**  
**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**

As we live a life of ease  
Everyone of us has all we need  
Sky of blue and sea of green  
In our yellow submarine

**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**  
**We all live in a yellow submarine**  
**Yellow submarine, yellow submarine**  
**We all live in a yellow submarine [end]**
