

All the Good People – Fred Holstein (lyrics for the chorus of the song)

This is a song for all the good people

All the good people who've touched up my life

This is a song for all the good people

The people I'm thanking my stars for tonight.

This is the end of our time together,

Of using our voices and singing our songs,

So, until next week, when again we gather,

Keep using your voices, keep singing out strong,

Keep using your voices, keep singing out strong. (2nd section by Charlie P.)

Brand New Key – Melanie

I rode my bicycle past your window last night
 I roller skated to your door at daylight
 It almost seems like you're avoiding me
 I'm okay alone but you got something I need

**Well, I got a brand new pair of roller skates
 You got a brand new key
 I think that we should get together
 And try them out, you see
 I been looking around awhile
 You got something for me
 Oh, I got a brand new pair of roller skates
 You got a brand new key**

I ride my bike, I roller skate, don't drive no car
 Don't go too fast but I go pretty far
 For somebody who don't drive, I been all around the world
 Some people say, I done all right for a girl

**Well, I got a brand new pair of roller skates
 You got a brand new key
 I think that we should get together
 And try them out, you see
 I been looking around awhile
 You got something for me
 Oh, I got a brand new pair of roller skates
 You got a brand new key**

I asked your mother if you were at home
 She said yes, but you weren't alone
 Oh, sometimes I think that you're avoiding me
 I'm okay alone but you've got something I need

**Well, I got a brand new pair of roller skates
 You got a brand new key
 I think that we should get together
 And try them out, you see
 la la la la la la la la la la la la la la
 oh i got a brand new pair of roller skates
 you got a brand new key [end]**

Big Yellow Taxi - Joni Mitchell

They paved paradise and put up a parking lot
With a pink hotel, a boutique, and a swingin' hot spot

Don't it always seem to go
That you don't know what you've got 'til it's gone?
They paved paradise, put up a parking lot
(Shoo-bop-bop-bop-bop,
Shoo-bop-bop-bop-bop)

They took all the trees, put 'em in a tree museum
And they charged the people a dollar and a half just to see 'em

Don't it always seem to go
That you don't know what you've got 'til it's gone?
They paved paradise, put up a parking lot
(Shoo-bop-bop-bop-bop
Shoo-bop-bop-bop-bop)

Hey farmer, farmer, put away the DDT now
Give me spots on my apples
But leave me the birds and the bees, please

Don't it always seem to go
That you don't know what you've got 'til it's gone?
They paved paradise, put up a parking lot
(Shoo-bop-bop-bop-bop
Shoo-bop-bop-bop-bop)

Late last night, I heard the screen door slam
And a big yellow taxi took away my old man

Don't it always seem to go
That you don't know what you've got 'til it's gone?
They paved paradise, put up a parking lot
(Shoo-bop-bop-bop-bop)

I said, don't it always seem to go
That you don't know what you've got 'til it's gone?
They paved paradise, put up a parking lot
(Shoo-bop-bop-bop-bop)
They paved paradise, put up a parking lot
(Shoo-bop-bop-bop-bop)
They paved paradise, put up a parking lot [end]

Leaving on a Jet Plane – John Denver/Peter Paul and Mary

All my bags are packed, I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin', it's early morn
The taxi's waitin', he's blowin' his horn
Already I'm so lonesome, I could die

**So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go**

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go, I'll think of you
Every song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

**So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go**

Now the time has come to leave you
One more time, let me kiss you
Then close your eyes, and I'll be on my way

Dream about the days to come
When I won't have to leave alone
About the times, I won't have to say

**So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go [end]**

Jolene, Jolene, Jolene, Jolene

Oh, I'm begging of you please don't take my man

You're So Vain – Carly Simon

You walked into the party like you were walking onto a yacht
 Your hat strategically dipped below one eye
 Your scarf it was apricot
 You had One eye in the mirror, as you watched yourself gavotte

And all the girls dreamed that they'd be your partner
 They'd be your partner and

You're so vain

You probably think this song is about you

You're so vain →

I'll bet you think this song is about; Don't you? Don't you?

Ah, You had me several years ago when I was still quite naive
 Well, you said that we made such a pretty pair
 and that you would never leave
 But you gave away the things you loved..... And one of them was me

I had some dreams, they were clouds in my coffee
 Clouds in my coffee and

You're so vain

You probably think this song is about you

You're so vain →

I'll bet you think this song is about you; Don't you? Don't you?

Well, I hear you went up to Saratoga

And Your horse naturally won
 Then you Flew your Learjet up to Nova Scotia
 To see the total eclipse of the sun
 Well, you're where you should be all the time
 And when you're not you're with

Some underworld spy or the wife of a close friend..... Wife of a close friend and

You're so vain

You probably think this song is about you

You're so vain →

I'll bet you think this song is about; Don't you? Don't you? Don't you?

You're so vain, You probably think this song is about you

You're so vain, You probably think this song is about you

You're so vain, You probably think this song is about you [end]

Heartbreak Hotel - Elvis Presley

Well, since my baby left me (tap, tap)
Well, I found a new place to dwell (tap, tap)
Well, it's down at the end of Lonely Street
At Heartbreak Hotel

Where I'll be, I'll be so lonely, baby
Well, I'm so lonely
I'll be so lonely, I could die

Although it's always crowded
You still can find some room
For broken-hearted lovers
To cry there in their gloom

They'll be, they'll be so lonely, baby
They'll be so lonely
They're so lonely, they could die

Now, the bellhop's tears keep flowin'
And the desk clerk's dressed in black
Well, they've been so long on Lonely Street
They'll never, never look back

And they get so, they get so lonely, baby
Well, they are so lonely
They're so lonely, they could die

Well, now, if your baby leaves you
And you got a tale to tell
Well, just take a walk down Lonely Street
To Heartbreak Hotel

Where you will be, you'll be so lonely, baby
Well, you will be lonely
You'll be so lonely, you could die

[Kazoos or sing "oo"]

Although it's always crowded
You still can find some room
For broken-hearted lovers
To cry there in their gloom

Where they get so, they get so lonely, baby
Well, they're so lonely
They'll be so lonely, they could die
They'll be so lonely, they could die [end]
