

**All the Good People** – Fred Holstein (lyrics for the chorus of the song)

This is a song for all the good people

All the good people who've touched up my life

This is a song for all the good people

The people I'm thanking my stars for tonight.

This is the end of our time together,

Of using our voices and singing our songs,

So, until next week, when again we gather,

Keep using your voices, keep singing out strong,

Keep using your voices, keep singing out strong. (2<sup>nd</sup> section by Charlie P.)

## The Girl From Ipanema - *Frank Sinatra/Antônio Carlos Jobim*

Tall and tan and young and lovely  
 The girl from Ipanema goes walking and  
 When she passes, each one she passes goes "Ah" →

When she walks, she's like a samba  
 That swings so cool and sways so gentle that  
 When she passes, each one she passes goes "Ooh" →

Ooh → But I watch her so sadly  
 How → can I tell her I love her?  
 Yes → I would give my heart gladly  
 But each day, when she walks to the sea  
 She looks straight ahead, not at me

Tall and tan and young and lovely  
 The girl from Ipanema goes walking and  
 When she passes, I smile but she doesn't see →, doesn't see →

[Kazoos or sing oo to the melody]

Ooh → but I watch her so sadly  
 How → can I tell her I love her?  
 Yes → I would give my heart gladly  
 But each day, when she walks to the sea  
 She looks straight ahead, not at me

Tall, tan, young, lovely  
 The girl from Ipanema goes walking  
 And when she passes, I **smile** but she doesn't see →

She just doesn't see →  
 Oh, she doesn't see →  
 She never sees me → [end].

## Take It Easy - *The Eagles* (kazoos)

Well, I'm a-runnin' down the road tryna loosen my load  
 I've got seven women on my mind  
 Four that wanna own me, two that wanna stone me  
 One says she's a friend of mine

### Take it easy, take it easy

Don't let the sound of your own wheels drive you crazy  
 Lighten up while you still can  
 Don't even try to understand  
 Just find a place to make your stand, **Take it easy** →

Well, I'm a-standin' on a corner in Winslow, Arizona  
 Such a fine sight to see  
 It's a girl, my Lord, in a flatbed Ford  
 Slowin' down to take a look at me  
**Come on, baby, don't say maybe**  
 I gotta know if your sweet love is gonna save me  
 We may lose and we may win  
 Though we will never be here again  
 So open up, I'm climbin' in, so take it easy

### [Kazoos or sing oo to the melody]

Well, I'm a-runnin' down the road tryna loosen my load  
 Got a world of trouble on my mind  
 Lookin' for a lover who won't blow my cover  
 She's so hard to find  
 Take it easy, take it easy  
 Don't let the sound of your own wheels make you crazy  
 Come on, baby, don't say maybe  
 I gotta know if your sweet love is gonna save me

(3-2-1) **Ooh, ooh**

**Ooh, ooh**

(3-2-1) **Ooh, ooh**

**Ooh, ooh**

**Ooh, ooh**

Oh, we got it ea -a-sy →

We oughta take it ea-a-sy → [end]

## Sunny - Bobby Hebb

Sunny.... yesterday my life was filled with rain  
 Sunny.... you smiled at me and really eased the pain  
 Now the dark days are done and the bright days are here  
 My Sunny one shines so sincere  
 Sunny one so true, I love you →

Sunny,... thank you for the sunshine bouquet  
 Sunny,... thank you for the love you've brought my way  
 You gave to me your all and all  
 And now I feel ten feet tall  
 Sunny one so true, I love you →

Sunny,... thank you for the truth you let me see  
 Sunny,... thank you for the facts from A to Z  
 My life was torn like wind-blown sand  
 Then a rock was formed when we held hands  
 Sunny one so true, I love you →

Sunny,.. thank you for that smile upon your face  
 Mm, Sunny,.. thank you, thank you for that gleam that flows with grace  
 You're my spark of nature's fire  
 You're my sweet, complete desire  
 Sunny one so true, yes, I love you →

Sunny,... yesterday, oh, my life was filled with rain  
 And Sunny,... you smiled at me and really, really eased the pain  
 Now the dark days are done and the bright days are here  
 My Sunny one shines so sincere  
 Sunny one so true

[Outro]

I love you → I love you → I love you → I love you → [end]

## Get Down - Gilbert O'Sullivan

Told you once before  
 And I won't tell you no more  
**Get down, get down, get down**  
 You're a bad dog, baby

But I still want you around

You give me the creeps

When you jump on your feet

**So get down, get down, get down**

Keep your hands to yourself

I'm strictly out of bounds

Once upon a time, I drank a little wine

Was as happy as could be, happy as could be

Now I'm just like a cat on a hot tin roof

Baby, what do you think you're doing to me

Told you once before

And I won't tell you no more

**So get down, get down, get down**

You're a bad dog, baby

But I still want you around, around

I still want you around

Hey hey hey

I don't give a damn

And I'd like you, if you can

**To get down, get down, get down**

You're a bad dog, baby

But I still want you around

Once upon a time, I drank a little wine

Was as happy as could be, happy as could be

Now I'm just like a cat on a hot tin roof

Baby, what do you think you're doing to me

Told you once before

And I won't tell you no more

**So get down, get down, get down**

You're a bad dog, baby

But I still want you around, around

I still want you around

**Mmm, mmm, mmm, mmm, mmm, mmm x2**

👏 Bad baby, bad dog, baby

👏 Bad baby, bad dog, baby

👏 Bad baby, you're a bad dog, baby

👏 Bad baby, you're bad dog, baby [end]

**Devil with a blue dress on**

**Devil with a blue dress, blue dress, blue dress**

**Devil with a blue dress on**

**Fe, fe, fi, fi, fo-fo, fum**

Look at Molly now, here she come

Wearin' a wig hat and shades to match

Her high-heeled shoes and an alligator hat

Wearin' her pearls and a diamond ring

Got bracelets on her fingers now and everything

**(She's a) devil with a blue dress on, Lord have mercy**

**Devil with a blue dress, blue dress, blue dress**

**Devil with a blue dress on, hey**

Wearin' her perfume, Chanel No. 5

Got to be the finest girl alive

She walks real cool, catches everybody's eye

They got to be nervous, they can't say "hi"

Not too skinny, she's not too fat

She's a real humdinger and I like 'em like that

**Devil with a blue dress, blue dress on,**

**She's a devil with a blue dress on, hey, I say now**

**Devil with a blue dress, blue dress, blue dress**

**Devil with a blue dress on**

**[Chorus 2]**

Good golly, Miss Molly

You sure like to ball

Good golly, Miss Molly

You sure like to ball

In the middle of the evening

Don't you hear your mama call?

[Bridge]

Oh, from the early, early mornin' 'til the early, early night  
See Miss Molly rockin' at the House of Blue Light

[Chorus 2]

Good golly, Miss Molly  
You sure like to ball  
In the middle of the evening  
Don't you hear your mama call?

[Kazoos or sing oo]

**Fe, fe, fi, fi, fo-fo, fum**

Look once again now, here she come  
Wearin' a wig hat and shades to match  
Got high-heeled sneakers and an alligator hat  
Wearin' her pearls and a diamond ring  
Got bracelets on her fingers now and everything

She's a devil with a blue dress on**

## That's Life - Frank Sinatra

That's life (**that's life**), that's what all the people say  
 You're ridin' high in April, shot down in May  
 But I know I'm gonna change that tune  
 When I'm back on top, back on top in June.

I said that's life (**that's life**)  
 And as funny as it may seem→  
 Some people get their kicks  
 Stomping on a dream  
 But I don't let it, let it get me down...  
 'Cause this fine old world, it keeps spinnin' around

I've been a **puppet**, a **pauper**, a **pirate**, a **poet**  
 A **pawn** and a **king**  
 I've been **up** and **down** and **over** and **out**  
 And I know one **thing**  
 Each time I find myself  
 Flat on my face  
 I pick myself up and get  
 Back in the race

That's life (**that's life**)  
 I tell you, I can't deny it  
 I thought of quitting, baby  
 But my heart just ain't gonna buy it.  
 And if I didn't think it was worth one single try  
 I'd jump right on a big bird and then I'd fly

I've been a **puppet**, a **pauper**, a **pirate**, a **poet**  
 A **pawn** and a **king**  
 I've been **up** and **down** and **over** and **out**  
 And I know one **thing**  
 Each time I find myself  
 Flat on my face  
 I pick myself up and get  
**Back in the race**

**That's life** (**that's life**)  
**And I caaan't deny it**  
**Many times I thought of cutting out, but my heart won't buy it**

But if there's nothing shaking, come this here July →

**I'm gonna roll myself up**

**In a big ball**

**aaand die →.... My, my → [end]**

## **Rock and Roll is Here to Stay - Sha Na Na or Danny and the Juniors**

Rock, (rock, rock)

Oh baby rock,(rock, rock)

Oh baby rock, (rock, rock)

Oh baby rock, (rock, rock)

Oh baby

Rock 'n' roll is here to stay, it will never die

It was meant to be that way, though I don't know why

I don't care what people say

Rock 'n' roll is here to stay

### **We don't care what people say**

#### **Rock 'n' roll is here to stay**

Rock 'n' roll will always be our ticket to the end

It'll go down in history, just you watch, my friend

It'll go down in history, just you wait, my friend  
Rock 'n' roll will always be, It'll go down in history

**If you don't like rock 'n' roll, think what you've been missin'**  
**But if you like to bop and stroll, come on down and listen**  
**Let's all start to have a ball**  
**Everybody rock 'n' roll**

Rock, (rock, rock)  
Oh baby rock,(rock, rock)  
Oh baby rock, (rock, rock)  
Oh baby rock, (rock, rock)

## **Super Trouper - ABBA**

**Super trouper beams are gonna blind me  
But I won't feel blue →  
Like I always do →  
'Cause somewhere in the crowd there's you →**

I was sick and tired of everything  
When I called you last night from Glasgow  
All I do is eat and sleep and sing  
Wishing every show was the last show

So imagine I was glad to hear you're coming  
Suddenly I feel all right  
And it's gonna be so different when I'm on the stage tonight →

**Tonight the super trouper lights are gonna find me  
Shining like the sun →  
Smiling, having fun  
Feeling like a number one →**

**Tonight the super trouper beams are gonna blind me  
But I won't feel blue →  
Like I always do  
'Cause somewhere in the crowd there's you →**

Facing twenty-thousand of your friends  
How can anyone be so lonely?  
Part of a success that never ends  
Still I'm thinking about you only

There are moments when I think I'm going crazy  
But it's gonna be alright (you'll soon be changing everything)  
Everything will be so different when I'm on the stage tonight→

**Tonight the super trouper lights are gonna find me  
Shining like the sun →**

**Smiling, having fun  
Feeling like a number one →**

**Tonight the super trouper beams are gonna blind me  
But I won't feel blue  
Like I always do  
'Cause somewhere in the crowd there's you → (to bridge)**

**[Bridge]**

**So I'll be there when you arrive  
The sight of you will prove to me I'm still alive  
And when you take me in your arms and hold me tight  
I know it's gonna mean so much tonight**

**Tonight the super trouper lights are gonna find me  
Shining like the sun  
Smiling, having fun  
Feeling like a number one**

**Tonight the super trouper beams are gonna blind me  
But I won't feel blue  
Like I always do  
'Cause somewhere in the crowd there's (breath) **you** [end]**

## **The Way You Do the Things You Do - Eddie Kendricks & The Temptations**

You've got a smile so bright  
You know you could have been a candle  
I'm holding you so tight  
You know you could have been a handle  
The way you swept me off my feet  
You know you could have been a broom  
The way you smell so sweet  
You know you could have been some perfume

[Chorus]

**Weeell, you could have been anything that you wanted to  
And I can teeell, the way you do the things you do  
The way you do the things you do  
The way you do the things you do**

As pretty as you are (Ooh-hoo)  
You know you could have been a flower  
If good looks was a minute (Ooh-hoo)  
You know that you could be an hour  
The way you stole my heart (Ooh-hoo)  
You know you could have been a cool crook  
And baby, you're so smart (Ooh-hoo)  
You know you could have been a schoolbook

[Chorus]

**Weeell, you could have been anything that you wanted to  
And I can teeell, the way you do the things you do  
The way you do the things you do  
The way you do the things you do**

[Kazoos or sing oo]

You made my life so rich (Ooh-hoo)  
You know you could have been some money  
And baby, you're so sweet (Ooh-hoo)  
You know you could have been some honey

Weeell, you could have been anything that you wanted to  
And I can teeell, the way you do the things you do  
The way you do the things you do

You really swept me off my feet  
The way you do the things you do  
You made my life complete  
The way you do the things you do  
You made my life so bright  
The way you do the things you do  
You make me feel alright  
The way you do the things you do [end]

## Here Comes The Sun Lyrics – The Beatles

Here comes the sun, doo-doo-doo-doo, here comes the sun  
And I say it's all right

Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here

**Here comes the sun, doo-doo-doo-doo, here comes the sun  
And I say it's all right**

Little darling, the smiles returning to the faces  
Little darling, it seems like years since it's been here

Here comes the sun, doo-doo-doo-doo, here comes the sun  
And I say it's all right

*Sun, sun, sun, here it comes*

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

**Sun, sun, sun, here it comes**

**Sun, sun, sun, here it comes**

**Little darling, I feel that ice is slowly melting**

**Little darling, it seems like years since it's been clear**

Here comes the sun, doo-doo-doo-doo, here comes the sun

And I say it's all right

Here comes the sun, doo-doo-doo-doo, here comes the sun  
It's all right

It's all right **[end]**

**Octopus's Garden - The Beatles**

I'd like to be under the sea  
In an octopus's garden in the shade  
He'd let us in, knows where we've been  
In his octopus's garden in the shade

[Pre-Chorus]

I'd ask my friends to come and see  
An octopus's garden with me

[Chorus]

I'd like to be under the sea  
In an octopus's garden in the shade

We would be warm below the storm  
In our little hideaway beneath the waves  
Resting our head on the seabed  
In an octopus's garden near a cave

[Pre-Chorus]

We would sing and dance around  
Because we know we can't be found

**I'd like to be under the sea**  
**In an octopus's garden in the shade**  
[Kazoos or sing "oo"]

We would shout and swim about  
The coral that lies beneath the waves  
Oh, what joy for every girl and boy  
Knowing they're happy and they're safe

[Pre-Chorus]

We would be so happy, you and me  
No one there to tell us what to do

[Chorus]

I'd like to be under the sea  
 In an octopus's garden with you, In an octopus's garden with you, In an octopus's  
 garden with you [end]

## **She Loves You - The Beatles**

**She loves you, yeah, yeah, yeah**  
**She loves you, yeah, yeah, yeah**  
**She loves you, yeah, yeah, yeah, yeah →**

You think you've lost your love  
 Well, I saw her yesterday  
 It's you she's thinkin' of  
 And she told me what to say

She says she loves you  
 And you know that can't be bad →  
 Yes, she loves you  
 And you know you should be glad →

She said you hurt her so  
 She almost lost her mind  
 But now she says she knows  
 You're not the hurtin' kind

She says she loves you  
 And you know that can't be bad →  
 Yes, she loves you  
 And you know you should be glad, ooh →

**She loves you, yeah, yeah, yeah**  
**She loves you, yeah, yeah, yeah**  
**With a love like that**  
**You know you should be glad**

You know it's up to you  
 I think it's only fair  
 Pride can hurt you, too  
 Apologize to her

Because she loves you  
And you know that can't be bad →  
Yes, she loves you  
And you know you should be glad, ooh →

**She loves you, yeah, yeah, yeah**  
**She loves you, yeah, yeah, yeah**  
**With a love like that**  
**You know you should be glad**

With a love like that  
You know you should be glad  
With a love like that  
You know you should be glad

**Yeah, yeah, yeah**  
**Yeah, yeah, yeah**  
**Yeah, yeah, yeah, yeah → [end]**
