

All the Good People – Fred Holstein (lyrics for the chorus of the song)

This is a song for all the good people

All the good people who've touched up my life

This is a song for all the good people

The people I'm thanking my stars for tonight.

This is the end of our time together,

Of using our voices and singing our songs,

So, until next week, when again we gather,

Keep using your voices, keep singing out strong. (2nd section by Charlie P.)

Folsom Prison Blues – Johnny Cash

I hear the train a-comin', it's rolling 'round the bend
And I ain't seen the sunshine since I don't know when
I'm stuck in Folsom prison, and time keeps draggin' on

But that train keeps a-rollin' on down to San Antone

When I was just a baby, my mama told me, "Son
Always be a good boy, don't ever play with guns"
But I shot a man in Reno just to watch him die

When I hear that whistle blowin', I hang my head and cry

(Kazoos or sing oo)

I bet there's rich folks eatin' in a fancy dining car
They're probably drinkin' coffee and smoking big cigars
Well, I know I had it coming, I know I can't be free

But those people keep a-movin', and that's what tortures me

Well, if they freed me from this prison, if that railroad train was mine
I bet I'd move it on a little farther down the line
Far from Folsom prison, that's where I want to stay

And I'd let that lonesome whistle blow my blues away!

I Want to Rock and Roll All Night by Kiss

You show us everything you've got
 You keep on dancin' and the room gets hot
 You drive us wild, we'll drive you crazy

You say you wanna go for a spin
 The party's just begun, we'll let you in
 You drive us wild, we'll drive you crazy

You keep on shoutin', you keep on shoutin'
 (Drum/clap and count out loud 1, 2, 3, 4, 5, 6, 7, 8)

I wanna rock and roll all night and party every day
 I wanna rock and roll all night and party every day
 I wanna rock and roll all night and party every day
 I wanna rock and roll all night and party every day

You keep on saying you'll be mine for a while
 You're lookin' fancy and I like your style
 You drive us wild, we'll drive you crazy

You show us everything you've got
 Baby, baby that's quite a lot
 And you drive us wild, we'll drive you crazy

You keep on shoutin', you keep on shoutin'
 (Drum/clap and count out loud 1, 2, 3, 4, 5, 6, 7, 8)

I wanna rock and roll all night and party every day
 I wanna rock and roll all night and party every day
 (*quietly*)

I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day

(Loudly)

I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day

Imagine lyrics – John Lennon

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Living for today, I

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace
You

(louder)

**You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one**

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world
You

(louder)

**You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one**

Money (That's What I Want) – Barrett Strong

The best things in life are free

But you can give them to the birds and bees

I need money (That's what I want)

That's what I want (That's what I want)

That's what I waaaaant

That's what I want (That's what I want)

Your love give me such a thrill

But your love don't pay my bills

I need money (That's what I want)

That's what I want (That's what I want)

That's what I waaaaant

That's what I want (That's what I want)

Money don't get everything, it's true

But what it don't get, I can't use

I need money (That's what I want)

That's what I want (That's what I want)

That's what I waaaaant

That's what I want (That's what I want)

Piano Man

It's nine o'clock on a Saturday
The regular crowd shuffles in
There's an old man sitting next to me
Making love to his tonic and gin
He says, "Son, can you play me a memory?
I'm not really sure how it goes
But it's sad, and it's sweet, and I knew it complete
When I wore a younger man's clothes"

La, la-la, di-dee-da
La-la di-dee-da da-dum

Sing us a song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
And you've got us feeling alright

Now John at the bar is a friend of mine
He gets me my drinks for free
And he's quick with a joke, or to light up your smoke
But there's someplace that he'd rather be
He says, "Bill, I believe this is killing me"
As the smile ran away from his face
"Well, I'm sure that I could be a movie star
If I could get out of this place"

Oh, la, la-la, di-dee-da
La-la di-dee-da da-dum

Now Paul is a real estate novelist
Who never had time for a wife
And he's talking with Davy, who's still in the navy
And probably will be for life
And the waitress is practicing politics
As the businessmen slowly get stoned
Yes, they're sharing a drink they call loneliness
But it's better than drinking alone

(Kazoos or sing oo)

Sing us a song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
And you've got us feeling alright

It's a pretty good crowd for a Saturday
And the manager gives me a smile
'Cause he knows that it's me they've been coming to see
To forget about life for a while
And the piano, it sounds like a carnival
And the microphone smells like a beer
And they sit at the bar and put bread in my jar
And say, "Man, what are you doing here?"

Oh, la, la-la, di-dee-da
La-la di-dee-da da-dum

Sing us a song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
And you've got us feeling alright

Runaround Sue – Dion

Here's my story, it's sad but true
 It's about a girl that I once knew
 She took my love, then ran around
 With every single guy in town

(Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh, hape)
 Da, da, da, da
 (Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh, hape)
 Ahhhhhhhh

Yeah, I should have known it from the very start
 This girl would leave me with a broken heart
 Ah listen people what I'm tellin' you
 I'd keep away from a Runaround Sue, yeah

I might miss her lips and the smile on her face
 The touch of her hand and this girl's warm embrace
 So, if you don't wanna cry like I do
 I'd keep away from a Runaround Sue

(Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh, hape)
 Ahhhhhhhh

She likes to travel around, yeah
 She'll love you, and she'll put you down
 Now, people let me put you wise
 Sue goes out with other guys

Here's the moral and the story from the guy who knows
 I fell in love, and my love still grows
 Ask any fool that she ever knew, they'll say
 A-keep away from a Runaround Sue

[(Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh)
 (Hape-hape, Woa-oh-oh-oh, hape)
 Ahhhhhhhh

Stand By Me Lyrics – Ben E. King

When the night has come and the land is dark

And the moon is the only light we'll see

No, I won't be afraid, oh, I won't be afraid

Just as long as you stand, stand by me

So darling, darling, stand by me, oh, stand by me

Oh, stand, stand by me, stand by me

If the sky that we look upon should tumble and fall

Or the mountain should crumble to the sea

I won't cry, I won't cry, no, I won't shed a tear

Just as long as you stand, stand by me

And darling, darling, stand by me

Darling, darling, stand by me

Whenever you're in trouble

Won't you stand by me, oh, stand by me

Sugar pie, Honey Bunch (I Can't Help Myself) – Four Tops

Sugar pie, honey bunch
You know that I love you
I can't help myself
I love you and nobody else

In and out my life
You come and you go
Leaving just your picture behind
And I've kissed it a thousand times

When you snap your finger or wink your eye
I come a-running to you
I'm tied to your apron strings
And there's nothing that I can do, ooh

'Cause, sugar pie, honey bunch
I'm weaker than a man should be
I can't help myself
I'm a fool in love, you see

Wanna tell you I don't love you
Tell you that we're through
And I've tried
But every time I see your face
I get all choked up inside

When I call your name
Girl, it starts the flame
(Burning in my heart, tearing it all apart)
No matter how I try, my love I cannot hide

'Cause sugar pie, honey bunch
You know that I'm weak for you
Can't help myself
I love you and nobody else

Sugar pie, honey bunch
Do anything you ask me to
Can't help myself
I want you and nobody else

What a Wonderful World – Louis Armstrong

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself:
"What a wonderful world!"

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself:
"What a wonderful world!"

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying "How do you do."
They really say: "I love you!"

I hear babies crying I watch them grow
They'll learn much more than I'll ever know
And I think to myself:
"What a wonderful world!"
Yes, I think to myself:
"What a wonderful world!"

You're So Vain – Carly Simon

You walked into the party like you were walking onto a yacht
 Your hat strategically dipped below one eye
 Your scarf it was apricot
 You had one eye in the mirror, as you watched yourself gavotte

And all the girls dreamed that they'd be your partner
 They'd be your partner and

You're so vain
You probably think this song is about you
You're so vain →
I'll bet you think this song is about you
Don't you? Don't you?

You had me several years ago when I was still quite naive
 Well, you said that we made such a pretty pair
 and that you would never leave
 But you gave away the things you loved
 And one of them was me

I had some dreams, they were clouds in my coffee
 Clouds in my coffee and

You're so vain
You probably think this song is about you
You're so vain →
I'll bet you think this song is about you
Don't you? Don't you? Don't you?

Well, I hear you went up to Saratoga
 And your horse naturally won
 Then you flew your Learjet up to Nova Scotia
 To see the total eclipse of the sun
 Well, you're where you should be all the time
 And when you're not

You're with some underworld spy or the wife of a close friend
 Wife of a close friend and

You're so vain
You probably think this song is about you
You're so vain →
I'll bet you think this song is about you
Don't you? Don't you? Don't you?

You're so vain, You probably think this song is about you
 You're so vain, You probably think this song is about you
 You're so vain, You probably think this song is about you
